There are urgent need of more reference books and magazines for all subjects .

The college library had adequate no. Of books according to old syllabus but the library does not have books according to NEP.

Due to natural calamity the water connection of college has got destroyed, for long time there is no water supply which is a big problem. It's leading to dirty and unhygienic washrooms. Administration should find out the solution and try to resolve this issue as soon as possible.

Water should be arranged for the college soon

All things are good
